

SENTRIKEY™ REAL ESTATE WEBSITE

Enhancements on the SentiKey™ Real Estate website include:

Properties Tab: The Lockbox and Listing Tabs are now combined under the Properties Tab for added convenience.

Live Chat: Connect to our support department via Live Chat.

Message Center: View messages like Showing Notifications, Low Battery Notifications and more in the Message Center now.

The screenshot displays the SentiKey Real Estate website interface. At the top, there is a navigation bar with tabs: Main Menu, Summary, Properties, Showing Feedback, RAD, RMA, Event Tracking, Reports, SentiConnect, and Support. The user's name, Megan Mays, is visible in the top right corner. A sidebar menu on the left includes options like Manage My Account, Agent Team, Add Listing, Default Lockbox Settings, View 1 Day Codes, Add 1 Day Codes, Dynamic CBS Codes, My Accesses, and Live Support. A Message Center notification is shown on the right, containing a message from Rachel LeClaire regarding feedback on a listing at 1475 LeClaire Way St. Louis MO, dated 2017-08-30 15:01:40. The message includes a link to a survey and instructions on how to manage showing feedback preferences. A 'Last Updated: 02:00 PM' timestamp is visible at the bottom of the message center.
