EVENING ENTERTAINMENT

GRAHAM CHITTENDEN

A familiar face at the Just For Laughs festival, on television and on the radio in programs such as Match Game and The Debaters, Graham has shared tours and stages with Howie Mandel, Andrea Martin, and Louie Anderson (to name just a few).

Graham has appeared in numerous comedy specials, including his own award-nominated stand up show on The Comedy Network. Graham also spent time as a host of MTV Canada where he deliberated over current events and interviewed the likes of Aziz Ansari and Bill Burr.

Graham has written for The Debaters, The Genie Awards, and Mr. D on CBC and now travels extensively as a writer for the critically acclaimed CBC show Still Standing, a series that seeks out small towns with interesting origins and turns it all into stand-up comedy.

CHAIR'S MESSAGE

**Thank you for joining us for CREB®'s
virtual Diamond Gala.**

The Diamond Gala is an evening meant for you, our members. It's a time to celebrate those among us who are reaching career milestones or who have gone above and beyond throughout the year. It's also an evening to reconnect with our colleagues and celebrate our personal successes.

It has been encouraging to see our membership getting involved with the board and the greater community despite the unique and challenging year we've been through. It is a true testament to the REALTOR® spirit that we continue to get out there and give back despite our own struggles.

So, keep getting involved! And if you haven't yet, but you've been thinking about it, there's no better time to join a committee, volunteer initiative or online course offered by CREB®. With so many leadership, volunteer and education opportunities to choose from, there's something for everyone.

Finally, congratulations to all our members receiving awards this year. Your hard work and dedication is appreciated, and we thank you for your continued membership and service to CREB®.

This event is a perfect opportunity to toast to your success. I look forward to seeing you online on June 23 to celebrate the hard work and talent of the members who have made it all possible.

Lorna Hamm

Chair, Calgary Real Estate Board

LONG SERVICE AWARDS

Acknowledge members who are reaching a legacy milestone in their career.

Long Service Award certificates are presented to active CREB® members achieving 25 or more years of service, excluding service interruptions. They are awarded at each five-year milestone e.g. 25, 30, 35, 40 etc. years of service.

Proud partner of

HONOURARY LIFE MEMBERS

The Honourary Life Member Award is presented to an individual, inside or outside of real estate, who has provided outstanding service to the real estate industry, board or public.

HONOURARY LIFE MEMBER AWARD RECIPIENTS:

BILL MACDOUGALL

LOWELL MARTENS

SARAH JOHNSTON

REALTOR® OF THE YEAR

T.W.H. (BILL) SAUNDERS MEMORIAL AWARD
RECIPIENT: GARETH MORRIS

CREB®'s premier member recognition award, presented to a member who exhibits professionalism, leadership and selfless dedication to CREB® and the community.

To qualify for this award, nominees must be involved in CREB® committees (or committees within other real estate boards and associations) and actively contribute to the greater community through volunteerism and charity. They also must have at least five continuous years of membership with CREB®.

Nominees are put forth by their peers and a winner is chosen by the REALTOR® of the Year – T.W.H. Saunders Committee.

Thomas William Henry Saunders

Thomas William Henry Saunders (1903 -1977), known to all as simply “Bill”, was an outstanding CREB® member who inspired many with his professional excellence and contributions to the community. After his passing, the board of directors created an award in his memory to continue inspiring real estate professionals to be the best they can be, giving back to both the industry and the greater community.

CREB® VOLUNTEER OF THE YEAR

**MARILYN JONES MEMORIAL AWARD
RECIPIENT: MURRAY SCOTTON**

This award is presented to a CREB® member who is making outstanding contributions to and whom is highly engaged in volunteer service.

Potential recipients must mentor and/or inspire other volunteers, demonstrate dedication to good governance and best practices, and exemplify the spirit of volunteerism in service above self. They also must have performed an act of unusual or unheralded volunteer heroism.

Marilyn Jones

Marilyn Jones had a rich CREB® history, winning the T.W.H. (Bill) Saunders Memorial Award in 1998 and becoming president of CREB® in 2005. For many years Marilyn held the record for most recorded volunteer hours of anyone in CREB®'s history.

Marilyn was also a devoted volunteer outside of CREB® and energetically volunteered for numerous organizations in Calgary, including The Calgary Interfaith Food Bank, The Mustard Seed, and Meals on Wheels Calgary.

COMMITMENT TO CREB® AWARD

CREB® has many champions outside of its membership and some of those champions, be it individuals or businesses, continually go above and beyond their commitments to our organization.

Because of this we launched a new award in 2019, called the Commitment to CREB® award. This award is presented to an individual or business who has shown outstanding support for CREB®. The award recipient doesn't have to be a REALTOR® and the award isn't given out every year, just when we encounter an instance of an individual or business who really has gone above and beyond for CREB®.

Benefits

Open Lockboxes

Use your mobile device or tablet to open lockboxes. Simple and effective access in the palm of your hand.

Touch ID / Facial Recognition

Use Touch ID or facial recognition instead of your PIN to quickly and easily access your most-used functions.

Grant Temporary Access

Use your mobile app to generate One Day Codes or grant SentiConnect® access. This provides secure, trackable access to out-of-area agents, contractors, and more.

Receive Instant Notifications

Receive instant notifications via the Message Center to learn about missing keys, the beginning of a showing, the end of a showing, and more.

Secure and Trackable Access

The SentryKey Real Estate app provides reporting capabilities.
