

Many options exist in fax to email service providers. Below are some providers you may want to consider.

When choosing a provider please ensure they can properly support Canadian area codes and will port an existing number from another provider.

- Metrofax - <https://metrofax.com/>
- efax - <https://efax.ca/>
- Ringcentral - <https://rincentral.ca/>
- Telus Cloud Fax - <https://www.telus.com/en/>
- Shaw Fax to Email - <https://www.shaw.ca/>

CRC, the vendor who supplied CREB®iFax, has indicated they may start selling their solution directly to CREB® members. CREB® will advise if this becomes a reality.
